

REQUEST FOR QUALIFICATIONS
CITY OF CENTRAL, LA
LOCATED IN EAST BATON ROUGE PARISH

The city of Central is seeking consulting services for the transportation element of our comprehensive Master Plan. The city of Central requests qualifications from qualified consultants who have expertise in transportation planning and travel demand modeling to assist the City's professional staff and its Master Plan consulting firm in finalizing the city of Central Master Plan. The Transportation Element of the Master Plan will be developed to support the Master Plan Land Use Plan adopted in September 2010, to ensure that the Land Use Plan and Transportation Elements work together to meet the Master Plan goals.

The deliverables from this project will include, but not be limited to, a Transportation Element that will serve as a long-term guide for the planning, construction, and maintenance of the roadway network in the city of Central. This plan will focus on developing a recommended future major street plan including new and proposed arterials, collectors, and local roads.

The RFQ can be downloaded on the city's website at www.centralgov.com or obtained at 13421 Hooper Rd, Ste 9, Central, LA 70818. The response to this RFQ must be hand-delivered or mailed to the address named in the proposal in such a manner that it is received no later than 4:00 pm CST on February 23, 2012.

The city of Central is an Equal Opportunity Employer. We encourage all small and minority-owned firms and women's business enterprises to apply.
