

PUBLIC NOTIFICATION FOR FLOOD HAZARD REVISIONS FOR BEAVER BAYOU FLOODPLAIN

The City of Central, East Baton Rouge Parish, Louisiana hereby gives notice of the City's intent to revise the flood hazard information, generally located between Central Throughway and Frenchtown Road to the south, Sullivan Road to the west, Greenwell Springs Road to the east, and Denham Road and Hubbs Road to the north. Specifically, the flood hazard information shall be revised along Beaver Bayou from a point approximately 6,000 feet downstream of Greenwell Springs Road to 70 feet upstream of Hubbs Road.

As a result of the revision, the 1% annual chance water-surface elevations shall decrease, and the 1% annual chance floodplain shall narrow within the area of revision. Additionally, 1% annual chance water-surface elevations will be established from Hubbs Road to approximately 70 feet upstream of Hubbs Road.

Maps and detailed analysis of the revision can be reviewed at the Central Municipal Services at 6703 Sullivan Rd. Central, LA 70839. Interested persons may call Natalia Gustafson, Floodplain Administrator at (225) 262-5000 for additional information from December 9, 2015 until the FIRM Panels are adopted by the City of Central.
